

Quality, Safeguarding & Governance

Everything we do is built around keeping children and young people safe.

Schools, local authorities and partner organisations need confidence that the services they commission are safe, professionally governed and delivered to the highest standards.

TWMAD & Safeguarding

Safeguarding is at the foundation of every relationship, every decision and every intervention TWMAD deliver.

Every member of our team understands that safeguarding is everyone's responsibility. Our systems, training and culture are designed to promote the safety, wellbeing and positive outcomes of every child and young person we work alongside.

Our practice is underpinned by strong governance, clear accountability and continuous quality assurance, giving schools and commissioners confidence that support is delivered safely, consistently and professionally.

TWMAD has a vision to inspire, develop and motivate individuals to provide them with opportunities for a sustainable future through Sport, Learning and Ventures.

Commissioner Assurance Pack

Rather than searching through multiple documents, we've brought together the information most frequently requested by schools, local authorities and commissioners into one professionally designed publication.

The Commissioner Assurance Pack provides an overview of our safeguarding arrangements, governance framework, professional standards, quality assurance processes, insurance cover and statutory compliance.

It has been created to support due diligence and provide confidence before commissioning our services.
